Teen Parent Connection to Host Annual Vine Event, April 10, 2015 – Proceeds Benefit Young Families

Glen Ellyn— July 15, 2014—

Friday, April 10, 2015 • 6:30 – 9:30 pm • Danada House in Wheaton • Tickets: \$85 each

For nearly 30 years, Teen Parent Connection continues to serve the unmet needs of an at-risk population: teenage parents and their children. Our comprehensive programs focus on the safety and healthy development of children born to teens - while empowering young parents to realize their own goals.

On **Friday, April 10th, 2015**, Teen Parent Connection will host its annual spring event, **VINE at Danada House and Atrium in Wheaton, IL**. VINE features a variety of beer/wine tasting and food pairing stations throughout the venue. VINE is host to 200 guests and includes a silent auction and cash raffle. **Our event allows us to share the impact of our programs with the community and raise essential resources that empower young parents and their children to reach their fullest potential.**

Vine brings together the culinary delights of My Chef Catering with sips from wonderful local wineries and breweries. Food pairings done by Bill Garlough, Level One Court of Master Sommeliers and owner of My Chef Catering.

Beverage tastings generously provide by **Cooper's Hawk Winery & Restaurants, Granite City Food & Brewery - Naperville, Lagunitas Brewing Company, and PRP Wine International**. Dessert selections provided by **Frosted Custom Confections** and **Vanilla Sugar Bakery**.

Teen Parent Connection invites the community to once again support Vine by purchasing tickets or becoming an event sponsor - and support a community-wide effort that has made a lasting impact on the lives of thousands of young families since 1985. **Proceeds from VINE benefit the programs and services of Teen Parent Connection. April is Child Abuse Prevention Month**
